For Statictical Pupposes only:

"TRANSFORMATION" isn't expressive enough to describe what this former "country store" turned Duplex has undergone.

The entire house has been re-done (sans the 2021 roof & the roof rafters & few floor-joists). Entirely new Plumbing, Electrical, HVAC, (19) impact rated windows and exterior doors, exterior stairs, siding, patios, kitchens and baths the list goes on. Walk-in showers w/Frameless glass, Stainless Steel Appliances, you name it, it's here! It's nearly all new, and (could be) all yours! Turn-key, and exceptionally low maintenance. Live in one unit and rent the other, In-law potential, Investment opportunity, you name it. The potential is endless. Act fast, (nearly) new construction duplexes at this price, in this neighborhood aren't available often, if at all. According to the City of Clearwater and seller's understanding (2025), the lot's zoning may allow up to six units – buyer to independently verify zoning, density, and permitting requirements. Don't miss this opportunity.
